We may also share your PHI with other individuals involved in your care. For example, we may share PHI via radio or telephone to the hospital or dispatch center as well as provide the hospital with a copy of the record we create in the course of providing you with treatment and transport. We may also share your PHI with other healthcare providers for their treatment activities.

We may also disclose PHI to another healthcare provider or entity for the payment activities of the provider or entity that receives the PHI (such as your hospital).

Healthcare Operations

We may use or disclose your PHI for things such as quality assurance activities, licensing, and training programs to ensure that our personnel meet our standards of care and follow established policies and procedures, obtaining legal and financial services, conducting business planning, processing grievances and complaints, creating reports that do not individually identify you for data collection purposes, fundraising, and certain marketing activities. We may also disclose your PHI to another healthcare provider (such as the hospital to which you are transported) for the healthcare operations activities of the entity that receives the information as long as the entity receiving the information has or has had a relationship with you and the PHI pertains to that relationship.

Reminders for Scheduled Transports and Information on Other Services
